FOR IMMEDIATE RELEASE: 10 April 2014

## Raleigh Coin Club to Host “Road Show” Event at Crabtree Valley Mall during National Coin Week

The Raleigh Coin Club (RCC) will set up at the Crabtree Valley Mall in Raleigh, NC during National Coin Week (April 20-26, 2014) to promote coin collecting and to answer questions visitors have about their coins, paper money, tokens, medals and/or other money-related items.

The public is invited to bring coins and paper money to the event with questions they have about them. Experienced members of the RCC will be on hand to answer the questions posed and to help visitors understand the potential value of their items. The club’s goal is to educate attendees about their collectibles, and thus help them to be more knowledgeable when adding to their collection or when considering the sale of items from it.

***The session will be an “information only” event. The RCC will not be buying or selling any coins or related items during the session. No written appraisals will be given.***

The club will also have an interesting selection of coins, notes and other money-related collectibles on display.

The program is free and open to the general public.
