## Raleigh Coin Club to Host “Road Show” Event at Crabtree Valley Mall during National Coin Week

To celebrate National Coin Week (April 17-23, 2016), the Raleigh Coin Club (RCC) will be hosting a “Coin & Currency Road Show” event at the Crabtree Valley Mall in Raleigh, NC on Friday, April 22<sup>nd</sup>. Members of the club will be present to promote coin collecting and be available to answer questions visitors have about their coins, paper money, tokens, medals and/or other money-related pieces.

The public is invited to bring their collectibles to the event to learn more about them and to get an estimate of their value. Experienced members of the coin club will be on hand to answer questions and provide opinions on grade and/or authenticity. The club’s goal is to educate attendees about their coins and paper money, and thus help them be more knowledgeable when adding to their collection or when considering the sale of items from it.

The theme for this year’s National Coin Week is “**Portraits of Liberty: Icon of Freedom.**” To support the theme, the RCC will present a focused display of coins and paper money with depictions of Liberty from the US and countries around the world. The club will also present a general display of interesting coins, paper money, tokens and medals.

The program is free and open to the general public.

Please Note: *The session will be an “information only” event. The RCC will not be buying or selling any coins or related items during the event. No written appraisals will be given.*
